Dear Parents,

In today's digital landscape, it is essential to equip our children with the knowledge and skills to navigate the online environment safely, responsibly and confidently. With growing exposure to the internet, social media and digital payment platforms, developing awareness about cyber safety has become more important than ever.

The school is organising a series of **Cyber Safety Awareness Activities** to sensitise students towards responsible digital behaviour, online privacy, cyber threats and the importance of making informed choices in the digital world.

As parents play a vital role in shaping children's digital habits, we encourage you to explore the following resources.

Initiative	Details	Action Required & Link
1. Digital Safety Pledge	A joint commitment by parents and students to practice safe, respectful, and responsible behaviour online and digital payment platforms.	Read and sign the declaration pledge form below.
2. Cyber Hygiene Course	A 2.5-hour self-paced course designed for students, parents, and teachers to learn essential digital safety skills.	Complete the course online. **Access Certificate Course**
3. Educational Resources	Supplementary awareness materials and official safety tips.	• **Comics & Booklets:** Access Reading Material • **CyberDost:** View Cyber Safety Tips

Joint Cyber-Safety Pledge

(Please sign and return this section to the Class Teacher)
